

“For me, PDK represents the intersection of camaraderie, innovation, and confrontation of real education issues. It is the only organization that provides educators of varied backgrounds with relevant insights, as well as positive energy to continue our important work today, tomorrow, and in the future.”

— DAPHNE CHANDLER, PDK member

PDK International

A professional association for educators

Targeted networking

Relevant research

A voice for education

PDK is the founding member of the PDK International family of education associations, which also includes Pi Lambda Theta, a collegiate honor society for educators, and Educators Rising, an organization that introduces high school students to the teaching profession and helps them cultivate the skills they need to be successful educators.

PDK INTERNATIONAL

For more than 100 years, PDK International has served as one of the premier professional associations for educators. PDK members are a passionate community of educators who have access to a rich network of like-minded professionals and many valuable professional development resources.

TO MOVE EDUCATION FORWARD AT THE LOCAL AND NATIONAL LEVELS, WE MUST WORK TOGETHER.
