---

**Established in 1906, PDK International  
supports teachers and school leaders by  
strengthening their interest in the profession  
through the entire arc of their career.**

---

For professionals who have made a lifelong investment in education, PDK International offers a lifetime membership option. PDK Lifetime members enjoy continuous access to PDK resources, benefits and events. This option allows members to avoid dues increases in the future and the need to renew each year.

By making this commitment to PDK, you will earn valuable professional learning and networking opportunities, as well as the most up-to-date research in the field with no fee increases and no interruptions—for life! Once your membership is processed, you will receive your membership packet in the mail, which includes your member ID card, lifetime membership certificate, and a copy of *Kappan* magazine.
